

IPS has the most complete line of process equipment in the industry allowing us to design system solutions for your specific application. We have exceptional delivery on all our products and are very competitive. So if you need to automate your system with products that can be assembled to meet your exacting application requirements, IPS has the answers for you.

VALVES

Butterfly Valves Manual, Piloted, And Electric Actuators

Solenoid Valve Manifolds Alum, Brass and Stainless

Precision Regulators, I/P, E/P ,Relays, Boosters and Diaphragm Cylinders

Plastic Valves Manual and Actuated, Paddlewheel Flow Meters and Switches

Solenoid Valves Stainless, Brass and Plastic. EX Proof, NSF

Ball, Butterfly and Check Valves in Industrial and Sanitary Styles

Control and ON/Off Valves for Process Industry & Steam Applications

Manual and Actuated Ball Valves, Relief Valves, Namur Solenoids

SENSORS (SWITCHES AND TRANSMITTERS)

Heavy Duty Displays, Flow and Batch Computers

Sensors & Switches for Flow, Pressure, Temperature, Proximity

Acoustic & Ultrasonic Level for Liquids & Powders

Gear Meters, Hose Reels and Lubrication Pumps and Controls

Level, Pressure and Temperature Sensors and Switches

Safety Switches, Relays, Light Curtains and Custom DIN Cables

AW-LAKE COMPANY

Coriolis, Turbine, Thermal Flow Meters

Gauges, Analog and Digital, Snubbers and Custom Assemblies

PNEUMATICS

Precision Regulators, I/P, E/P ,Relays, Boosters and Diaphragm Cylinders

Pneumatic Timers, Counters, Valves, Cylinders and Controls, NPT and Metric

Precision Regulators, I/P, E/P ,Relays, Boosters and Diaphragm Cylinders

Pneumatic Valves, Cylinders, Air Prep, Fittings and Controls both NPT and Metric

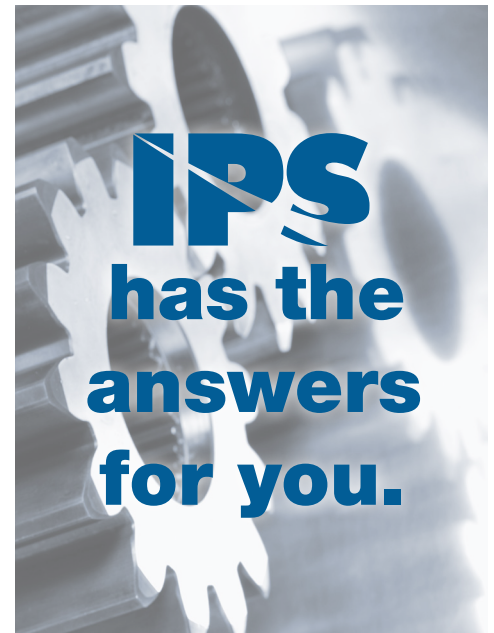

Pressure Switches and Transducers, Air & Hydraulic NFPA Cylinders

Air Filters, Regulators, Coalescers, and Dryers - Refrigerated, ReGen, and Desiccant

NFPA Air and Hydraulic Cylinders

PUMPS

Double Diaphragm Pumps from 1/4" - 3"

Sanitary, Marine, & Industrial
Centrifugal Pumps

Large Peristaltic Pumps, Magmeters,
Backpressure Regulators, Calibration Columns

Leader in Circulator Pumps and
Centrifugal Pumps

Air & Electric Driven Air/Gas Pumps,
Boosters and Amplifiers

Pumps and Centrifugal Sealless
Magnetic Drive Pump

Drum, Double Diaphragm Pumps and Metering Systems
for Industrial and Automotive

TUBING, FITTINGS, AND ACCESSORIES

Air Preparation Units, Tubing,
Fittings and Couplers

PolyUrethane, PolyEthylene,
PVC and Nylon Tubings in inch/mm

Pneumatic Valves, Cyinders, Air Prep,
Fittings both NPT and Metric

Stainless Steel Fittings,
Valves and Tubing for Industry

Pressure and Temperature Gauges,
Thermowells, Assemblies
